M-URGENCY LOGISTICS

Medical Logistics. Driven by **Urgency.**

CAPABILITY SHEET

M-Urgency Logistics is a healthcare logistics company serving Gwinnett County, Georgia. We coordinate regular delivery needs and backup coverage around your operation.

Delivery solutions

- Scheduled & recurring delivery
- On-demand delivery (expedited options by arrangement)
- STAT requests
- Additional arrangements: overnight and longer-distance transport
- Backup coverage

Value for your operation

Keep staff focused on care with agreed pickups, clear handoff instructions, and backup coverage by arrangement. We review recurring schedules and opportunities to group stops, match service to your deadline, and agree on pricing and applicable charges before you commit.

Pricing

Custom quotes for scheduled, on-demand, and STAT deliveries. Pricing confirmed before booking. How pricing works.

Build your delivery plan

Share pickup and delivery locations, frequency, volume, deadlines, and handling requirements. We'll discuss availability, delivery updates, handoff instructions, and next steps.

Your backup plan for time-sensitive care

Be prepared for missed pickups, unexpected STAT requests, staffing gaps, and after-hours needs. Establish your contact and delivery requirements before a disruption happens.

Handling and coordination

Discuss privacy, packaging, temperature requirements, documentation, and proof-of-delivery needs before transport. Service availability and suitability must be confirmed before scheduling.

After-hours, weekend, and holiday service available by arrangement, subject to availability. Additional charges may apply.
